Schedule of Classes

Fall Semester 1979

Southern Illinois University at Carbondale

What made the men of Phi Kappa Theta run out on the social event of the season? The KZ400s.

Some say it was the devil's work. Others say it was a sorority pay-off.

All anybody knew for sure was that when John Barkworth and George "The Gorge" Pinard skipped on the annual toga party, they took over half the buffet and certain valuable manuscripts with them. And they left on the KZ400 and KZ400 LTD.

They're two bikes out for a good time, whether it's highway riding or campus crusin. You can bet your toga on that. The six-speed gearbox gets you a lot of go from a strong 398cc 4-stroke single overhead cam engine.

Stop at a light and the automatic neutralfinder finds neutral on the first try. And the steering lock is built right into the ignition switch. So wise guys on Greek Row don't ride off on your good time motorcycle.

The Gorge liked to get down to basics. Food and your basic KZ400. Barkworth was more the BMOC type (Big Man On Campus). So the KZ400 LTD was more his type.

The KZ400 LTD. Billy goat bars (almost), fat rear tire, aluminum alloy wheels with a disc up front. Big step seat and a sinister black paint job with pinstriping. Oh, et tu, Brute?

THE HOTTEST THREE-WAY ON THE FREEWAY.

That's right. Our TS-695's are the very best 3-way car speakers you can buy.

Better than anyone else's. Including the other leading brand's.

Here's why: Theirs has a bridge plate across the top to hold the midrange and tweeter in place, blocking some of the woofer's sound.

We took the bridge out. So our bass comes through loud and clear.

Their woofer magnet is two 10 oz. magnets glued together. While ours is a solid 20 oz. ferrite magnet. So there's smaller flux leakage and less loss of energy.

Our 3.5 oz. midrange magnet is more than twice as heavy as theirs and drives a

free edge cone. (Theirs has a fixed edge cone.) So the music comes through with each instrument clearly defined.

Our tweeter has a cone speaker with an alnico magnet dynamic tweeter. Theirs has no magnet at all. Can you guess which one has less distortion in the high end?

There's more.

Ours can handle 40 watts. Theirs, only 30. Ours is twice as sensitive and operates at 4 ohms instead of 8. So you get twice the volume at the same power.

We think the TS-695's are pretty hot stuff.

But if you still aren't sure about which three-ways to buy, take your ears into your stereo store. And let them decide.

SUPER SYSTEMS BY PIONEER.

SOUTHERN ILLINOIS UNIVERSITY AT CARBONDALE

Fall Semester 1979

Schedule of Classes

This issue of the Southern Illinois University at Carbondale Schedule of Classes contains the schedule of classes to be offered for the 1979 Fall Semester at Carbondale, at the Vocational-Technical Institute Campus, at Little Grassy Lake, and at graduate residence centers. It also provides information relative to admission, advisement, registration, and fees.

Southern Illinois University at Carbondale is required to comply with the provisions of Title IX of the Education Amendments of 1972 and Section 504 of the Rehabilitation Act of 1973. Title IX mandates that no person shall, on the basis of sex, be excluded from participation in, be denied the benefits of, or be subjected to discrimination under any education program or activity receiving federal financial assistance. Section 504 provides that no otherwise qualified handicapped individual shall, solely by reason of the handicap, be excluded from the participation in, be denied the benefits of, or be subjected to discrimination under any program or activity receiving federal financial assistance. Inquiries concerning the application of Title IX or Section 504 regulations may be directed to Dr. Mary Gasser or Mr. Richard C. Hayes, University Affirmative Action Office, Anthony Hall, Room 104, Telephone: 536-6618.

Registration Calendar Fall Semester 1979

ADVANCED REGISTRATION DATES

Advance Registration Period For All Students, Tuesday, March 20 Through Friday, May 11, and Monday, June 18 through Friday, August 3.

Registration for continuing undergraduate students during the first six weeks of advanced registration will be by appointment

only.

All continuing students are expected to be registered by August 3. Program changes may be processed during the advance registration period.

Students are urged to process program changes prior to the first day of classes.

Deadline For Payment Of Tuition And Fees By Mail, Friday, August 17.

Payment must be mailed to the Bursar prior to this date to insure receipt of payment by this date. Students paying after this date must pay in person at the Bursar's Office in Woody Hall.

Last Day To Pay Tuition And Fees For The Fall Semester, Friday, August 24.

Registration will be cancelled if fees are not paid at the Bursar's Office by 4:00 p.m. on this date.

FINAL REGISTRATION DATES

Registration For Any Student Not Registered, Thursday And Friday, August 23-24.

Students registering on these dates must clear their fees with the Bursar the same date they register.

Last Day To Register For The Fall Semester, Friday, August 24.
Registration for any student not registered. Registration ends at 4:00 p.m. All registrations are cancelled if tuition and fees are not paid before 4:00 p.m. on this date. Undergraduate students registering after this date must have special permission of their dean to register late.

PROGRAM CHANGES OR WITHDRAWAL FROM SCHOOL

Advisement And Registration Open For Program Changes.

Program changes may be processed during the advance registration period and by appointment during the first week of classes, August 27-31.

Last Day To Add A Class Or Section, Friday, August 31.

This is the last day to make a program change in which a course is added or a section changed without dean's permission.

Students adding a course which begins after August 27 may add through the first day the course meets without the dean's permission.

If saving money is your bag....

.... be sure you have our bag.

					before classes begin. No changes may be made thereafter.

^{*} An exception to the section number range scheme is the course GSD 101, which frequently has an offering of more than one-hundred different sections which meet the full 16 weeks.

REGISTRATION CLOSED

Thanksgiving Break: Monday, November 19 through Friday, November 23, 1979.

Christmas Break: Monday, December 24 through Friday, December 28, 1979.

Spring Break: Monday, March 17 through Friday, March 21, 1980.

REGISTRATION INSTRUCTIONS

Step 1 — Biographic Information. Present your Course Request Form (CRF) at Step 1. Receive biographic data card. Eligibility to register will be checked. Make necessary corrections on the biographic card. New Students will be photographed for

Step 2 — Sectioning. Using course availability boards and Schedule of Classes book, work out your schedule on a registration work sheet. Enter the 4 digit call number for each course and section in the column to the left of course entry on CRF — headed "Call Number." Enter section number in the appropriate

^{**} Students must withdraw from a course or courses by these deadlines to escape liability for payment of tuition and fees for the hours dropped. Students who withdraw from a course or courses after the deadline has passed, must pay tuition and fees even if no grade will be assessed.

^{***} Students withdrawing after this date will have a "W" entry posted to their record.

[†] In each instance, one day beyond the time listed will be allowed for processing of withdrawal.

column. The section number appears in the Schedule of Classes immediately preceding the listed class meeting time. The call number appears to the left of the section number. The day, time, and location for added classes will be posted on one group of bulletin boards. Find meeting information and call number here. The legend for the colored tags will be posted in Registration. If a course shows a restriction, you must have the proper authorization before going to Step 3. Consult the Schedule of Classes book for specific restriction information.

Step 3 — Registration and Fee Assessment. Give your completed CRF to the operator who will enter your registration information. Watch the screen to check the operator's accuracy and call attention to any errors. Proceed to Step 4.

Step 4 — Enrollment Form and Fee Statement Pick-Up. Pick up the printout of your enrollment transaction and your fee statement. Proceed to Exit.

Step 5 — Tuition and Fee Payment. The fee statement you received at Step 4 must be presented to the Bursar with payment by the date indicated or your registration will be cancelled.

General Information

Admission

Inquiries concerning undergraduate and graduate admission should be directed to the Admissions Office.

Advisement and Registration

Southern Illinois University at Carbondale uses an academic advisement system whereby each undergraduate academic unit has a chief academic adviser and a number of assistant advisers selected from the teaching faculty. Graduate students initiate advisement with their graduate adviser and complete the registration process at the Registration Center, except that unclassified graduate students go directly to the Registration Center (Graduate/Off-Campus Registration Area) to complete both the advisement and the registration processes.

After advisement students may register for classes. See the Registration Calendar in this booklet. During the registration process students go to the Registration Center, where they select specific sections of the courses to take.

Cancellation of student registrations for non-payment of fees occurs on the date indicated in the Registration Calendar.

Mere attendance does not constitute registration in a class, nor will attendance in a class for which a student is not registered be a basis for asking that a program change be approved permitting registration in that class. Students should complete the registration process before classes begin.

New Students

Students entering the University for the first time are permitted to advance register only after they have been admitted to the University as evidenced by their receiving the Certificate of Admission.

New undergraduate students, freshmen and transfer, will be expected to advance register on the same date that they come to the campus for advisement. Dates for students to do so will be selective ones in which the students are asked to come to the campus on specific dates as determined by the University. Students should not expect to be advised and registered on the same date they are admitted nor are they to come to the campus for advisement and registration without an appointment. Appointments for advisement and registration will be mailed from and are to be returned to the Office of Admissions and Records or the appropriate academic unit.

New graduate students may register during the registration periods indicated in the registration calendars. Arrangements should be cleared with the appropriate graduate adviser prior to coming to campus.

Re-Entering Students

Students who have attended the University at some former time but not during the session immediately prior to the time they plan re-entry are expected to advance register during the periods outlined in the Registration Calendar. After completing re-admission procedures advisement appointments should be made at the advisement offices of the academic units into which the students are entering and clearance of the registrations should be completed on that same day at the Registration Center.

Current Students, Carbondale

Students currently registered in the University will be continued in their present curricula unless a change of college or major is made. A change of college or major is initiated with the student's adviser. Either change should be made at the time of advisement.

Undergraduate students currently registered in the University will schedule appointments with their adviser. Registrations should be processed through the Registration Center as soon after advisement as possible.

Graduate students in a degree program should make appointments with the departmental adviser for program advisement. Unclassified graduate students may report directly to the Registration Center for registration.

Off-Campus Students

The University offers courses at various locations off campus. The locations of these courses are printed in this schedule of classes or may be obtained from the Division of Continuing Education. Students who wish to enroll in off-campus courses may register and pay tuition at the first class meeting.

Course Load

The minimum number of hours of credit that a student may take during a regular-length semester and be considered by the University a full-time student is twelve semester hours. The maximum load for a regular-length semester is eighteen semester hours (sixteen for graduate students) unless an exception is granted by the student's academic dean.

Tuition and Fees

Tuition and fees charged students are established by the Board of Trustees and are subject to change without prior notification whenever conditions necessitate. All assessments depend on "Semester Hours Enrolled," according to the table below. Students will be assessed tuition and fees each term according to Table 1.

TABLE 1 - ON-CAMPUS TUITION AND FEE SCHEDULE

CTUDENT FEEC

	IOIIION	N			510		IOIAL				
Semester Hours Enrolled	Illinois Resident	Non- Resident	STS Grant (1)	Student Attorney (2)	Student Center (3)	Student Activity (4)	SRF (5)	Athletic (6)	Medical (7)	Illinois Resident	Non- Resident

11	242.00	726.00	2.25	1.00	26.58	4.81	10.78	18.33	45.00	350.75	834.75
12	262.00	786.00	2.25	1.00	29.00	5.25	11:75	20.00	45.00	376.25	900.25

The fees which have been established by the Board of Trustees are payable by all students as a condition of enrollment unless they are specifically exempted by the board. All fees are considered to be institutional in nature and require payment regardless of whether or not the student receives direct benefits or is in a location which permits access to such benefits.

The Student-to-Student Grant Program Fee, the Students' Attorney Fee, and portions of the Student Medical Benefit Fee are refundable under certain circumstances.

- (1) The Student-to-Student (STS) Grant Program Fee provides funding of a student grant program. The fee is payable by undergraduate students only. Undergraduate students who do not wish to participate in the program may seek a refund of the fee by contacting the Office of Admissions and Records within ten days of the date of payment of fees.
- (2) The Students' Attorney Fee provides funding for a legal service program. The fee is payable by all students. Students who do not wish to participate in the program may seek a refund by contacting the Office of Admissions and Records within ten days of the date of payment of fees.
- (3) The Student Center fee provides funding for operation of the Student Center.
- (4) The Student Activity Fee provides funding for student organizations and activities on campus.
- (5) The Student Recreation Fee (SRF) provides funding for operation of physical facilities for student recreation and intramural programs.
- (6) The Athletic Fund Fee provides partial funding of the University's intercollegiate programs for men and women.
- (7) The Student Medical Benefit Fee provides funding for a comprehensive student health program including emergency service; hospitalization; specialty, primary, intermediate, or infirmary care; and prevention program. Students who pay these fees are entitled to full medical benefits at Health Service. If they feel that they have comparable coverage, they may seek a refund of the fee within the first three weeks of each semester by contacting the administrative director of Health Service.

Additional Fee Information

TI HTIAN

- Graduate, medical, and law students are not required to pay the Student-to-Student Grant Program Fee. So they pay \$2.25 less than the amount listed in the appropriate total column of the Table 1.
- Permanent full-time or permanent part-time employees may be eligible for waiver of tuition and waiver of a portion of the student fees. Approval by the department head and

the director of the Personnel Office must be given prior to enrolling for courses. Employees who are approved pay only the Student Center Fee, the Student-to-Student Grant Program Fee and the Students' Attorney Program Fee.

TOTAL

- Students taking courses in extension or at approved residence centers are required to pay tuition as listed in the table above but do not pay student fees.
- Adult education course fees are computed on the basis of approximately sixty cents per contact hours.
- Other charges which students may incur are those for departmental field trips, library fines, and excess breakage. Also, students taking a course involving use of materials, as distinct from equipment, will ordinarily pay for such materials.
- 6. Students enrolled in Public Service Courses pay tuition plus \$3.00 per hour fees divided equally between Student Center and Medical. Students enrolling in a combination of Public Service Courses and regular on-campus courses pay tuition and fees based upon the on-campus tuition and fee schedule for the combined total of hours enrolled.
- School of Medicine students pay a reduced Student Medical Benefit Fee (\$30.00). Medical students at Springfield do not pay the Student Center Fee, SRF Fee, or Athletic Fee.

Payment of Fees

Undergraduate students receive their fee statements at the time of registration. During the advance registration period students are asked to delay paying their fees in person at the Bursar's Office until the day following registration. This is to permit necessary fee information to reach the Bursar by the time of fee payment. Students will find it easier simply to mail the fee statement along with a check or money order for the proper monetary amount to the Bursar's Office so as to arrive there by the deadline dates which are stated in the Registration Calendar located earlier in this bulletin. If students pay fees in person at the Bursar's Office they receive a Student Fee Statement at that

time. When fees are paid by mail, the paid fee statement can be returned to the student if a stamped, self-addressed envelope is sent with the payment, or it may be picked up at the Bursar's Office. It is important that these forms be carried by the students at all times. Students registering at the start of a semester must pay fees at the time of registration.

Refund of STS Grant and Student Attorney Fees

The Student-to-Student (STS) Fee is payable by undergraduate students. The Student Attorney Fee (SAF) is payable by all students. Students who do not wish to participate in these programs must request a refund within ten days after payment.

Students who pay their tuition and fees by mail may enclose their request for refund for either or both of these fees with payment. Requests for refunds may be made at or addressed to the Office of Admissions and Records. These fees are not refundable after ten days from payment.

Refund of SMB Fee

The Student Medical Benefit (SMB) Fee is payable by all students enrolled on campus. Students who feel they have independently purchased comparable coverage may request a refund of this fee from the Administrative Director of Health Service within the first three weeks of the semester.

Deferment of Tuition and Fees

Special fee deferments are available to students who (1) can demonstrate financial need, (2) meet minimal requirements, and (3) can provide written verification of the ability to pay. Information on fee deferments is publicized each term in the Student Relations Office, Office of Admissions and Records, Bursar's Office, Student Work and Financial Assistance Office, and the Daily Egyptian. Guidelines may vary from term to term and year to year and the students are advised to seek out the accurate information rather than assume that they qualify for a deferment.

Students applying for a fee deferment must complete registration to the receipt of a fee statement. The fee statement and written verification from the source of funds to be used to pay tuition and fees must be presented to the Student Relations Office to obtain an application. Recipients of fee deferments will not be allowed to register for any future semester until payment is made. Additional information on deferments is available in the Student Relations Office. Phone or mail requests for deferments will not be accepted.

If approval is granted, tuition and fees will be placed on Fee Code 66 for the term and the student will be obligated to pay by the approved deferred date. Failure to pay deferred fees will result in withholding of transcripts.

Audit and Non-Credit Courses

Students who register for a course for audit or for a non-credit course will be assessed fees according to the imputed hours of that course. Imputed hours is generally the number of hours the class meets per week.

Scholarships-Grants-Assistantships-Waivers

Students having special fee status, such as scholarships, grants, graduate appointments, faculty, and staff, will pay fees according to their particular fee status and must provide proof of their eligibility at the time fees are assessed.

Students holding valid state scholarships and other grants are exempt from some or all of the tuition and fees for a semester to the extent provided by the terms of the specific financial aid. Additional information concerning scholarships and grants may be obtained from the Office of Student Work and Financial Assistance.

Graduate Appointees

A graduate student who holds a graduate-student appointment of at least one-quarter of full time and who is appointed for the full length of an academic term (semester or full-length summer session) is eligible for a waiver of tuition each academic term the appointment is held. If a student is appointed for less than a full academic term on a fiscal pay basis, he is not eligible for a tuition waiver for that academic term.

A student who holds an appointment for the full academic term but resigns before the end of that term, and who continues to be registered for courses, shall be liable for the full tuition for the term.

A graduate student who has held such an appointment, requiring service to the University of at least 25 percent of full time, for each of two consecutive semesters, will be eligible for a waiver of tuition for the summer session immediately following the two consecutive semesters of service. In no case shall the additional term of tuition waiver be granted before the two consecutive semesters of service have been completed.

This additional term of tuition waiver shall not apply to nonservice appointments or appointments normally awarded for 12 or more consecutive months (i.e., special doctoral assistantships, graduate or special fellowships). NDEA (Title IV) fellows, NSF trainees, and NSF fellows are not eligible.

NDEA (Title IV) fellows and NSF trainees do not pay fees, assessments, or tuition.

Faculty and Staff

Employees in faculty-administrative positions will receive a tuition waiver and a waiver of some fees whenever they are employed at any time during a semester for which they are registered. If the appointment is at least a nine-month appointment, students may receive the waiver for an additional semester which must follow immediately the last semester of appointment. Students may option summer or fall in this instance.

Civil Service

Employees in civil service positions will receive a tuition waiver and a waiver of some fees only when authorized by the Personnel Office after compliance with personnel regulations.

Auditing of Courses

Students may register for courses in an audit status. They receive no letter grade and no credit for such courses. An auditor's registration must be marked accordingly. They pay the same fees as though they were registering for credit. They are expected to attend regularly and are to determine from the instructor the amount of work expected of them. If auditing students do not attend regularly, the instructor may determine that the students should not have the audited courses placed on their record cards maintained in the Office of Admissions and Records.

The deadlines to change to or from audit status are not the same for graduate and undergraduate students. See the Registration Calendars for the exact deadlines.

Pass/Fail Option

The pass/fail option applies only to undergraduate instruction. Pass/fail courses are not available for graduate credit.

Courses offered under the pass/fail option are denoted in the listing of course offerings by "Elective Pass/Fail" or "Mandatory Pass/Fail."

Students taking a course for pass/fail should have their registration marked accordingly.

Students may change to or from pass/fail with an adviser's approval prior to beginning of classes. Once classes begin no pass/fail changes are permitted.

Students are not permitted to elect pass/fail for a course that is a major or minor requirement for them unless the program specifically permits such to be done.

Independent Study Courses

Courses such as special problems, independent research, thesis, etc., involving an individualized instructional format are in the class listing with a section number of "700." Prior to registering in a course of this type, the student must determine the "instructor number" for the faculty member responsible for the student's instruction. That three-digit instructor number, along with the class's printed call number and the instructor's last name, must be indicated on the Course Request Form or Program Change Form at the time of registration. All students should obtain the permission of the individual instructor before registering for such courses. The adviser for students in graduate degree programs will be responsible for determining that the student has the permission required.

A listing of faculty within instructional programs along with each assigned instructor number may be found in the appendix of this book.

Public Service Courses

Public Service Courses are intended to serve persons not necessarily formally enrolled in a degree program at Southern Illinois University at Carbondale, and whose backgrounds are rather homogeneous but whose time constraints do not allow them to attend a similar course during a regular academic semester. Public Service Courses are scheduled to meet no longer than three weeks and are listed in the Schedule of Classes with a section number in the range 601-699.

Program Changes

Students are officially registered only for those courses appearing on their schedule of classes. Any change therefrom must be made through an official program change, which includes the following steps.

- Initiating The Change. Students report to their advisers for approval and Program Change form completion. If the change involves only that of changing sections within the same course, this may be done at the Registration Center without the necessity of adviser approval.
- Registration. Students must take the program change form to the Registration Center after approval by the adviser.

Program changes which involve the adding of a new course to the schedule or the changing of sections must be done by the "last day to add a class" as indicated in the Registration Calendar.

Changing Credit Within Variable Hour Courses

Students who wish to change the number of hours of credit within a variable-hour course must process a Program Change Form listing the course and current hours of credit in the drop portion of the form and again the add portion of the form for the desired number of hours of credit.

Dropping A Course

A program change must be made in order to drop a course. A student may not drop merely by stopping attendance. The last date for dropping a course without receiving a letter grade is printed in the Registration Calendar. (Refer to Registration Calendar.)

Changing Fee Status, And Refunds

Students making program changes which result in their moving from one fee status to another will be assessed additional tuition and fees when appropriate. If the change is to reduce the academic load resulting in a lower tuition and fee status, students may apply for the appropriate tuition and fee refund provided the reduction in program is made officially by a program change during the same period at the start of a semester in which students withdrawing from the University are eligible for a refund. For dates refer to the Registration Calendar. Students who withdraw from a course or courses after the refund deadline are liable for tuition and fees.

Withdrawing From School

Students who find it necessary to withdraw from school while the semester is in progress must report to the Student Life Office to initiate official withdrawal action. Graduate students may also initiate withdrawal at the Graduate School. A refund of fees is permitted only if a withdrawal is officially completed by the deadline stated in the Registration Calendar.

Students who advance register, including paying of fees, and then find that they cannot attend school must also officially withdraw from school. They may do this by writing to the Student Life Office. This must be done by the deadline date printed in the Registration Calendar, if they expect to get a refund.

A complete withdrawal from the University (all courses for which registered) must be authorized by the student's Dean at any time during the semester prior to the assignment of grades. See the Registration Calendars for the final date.

Cancellation of Registration

An advance registration including the payment of tuition and fees may be considered invalid if the student is declared to be ineligible to register due to scholastic reasons. The same situation may exist due to financial or disciplinary reasons if certified to the Office of Admissions and Records by the Student Life Office.

Release of Information

The Family Educational Rights and Privacy Act of 1974 permits the release of directory information pertaining to students as public information to parties outside the University without written consent of the student provided the student has been given the opportunity to restrict such disclosure.

Directory information includes student name; student local and home addresses and telephone numbers; current term hours carried; classification (freshman, senior, etc.); academic unit, major; dates of attendance; degrees and honors earned and dates; the most previous educational agency or institution attended prior to enrollment at the University, participation in officially recognized activity or sport; weight, height and pictures of members of athletic teams; date of birth, and picture. Currently enrolled students may restrict the release of all or parts of their directory information by notifying the Office of Admissions and Records in writing. Notice of the procedure and the deadline dates for the submission of restriction requests will be published in the Daily Egyptian newspaper. Directory information release restriction forms are available in the Office of Admissions and Records. The release restriction request will be honored for only one academic year beginning with the start of the fall semester; therefore, requests must be filed annually at the Admissions and Records Office.

Personal Data Changes

At the time of registration students are asked to review a Biographic Data Sketch containing personal data. Certain items, if in error, may be corrected at that time. Other items, which may require some type of verifying evidence, are changed by reporting to the offices listed below.

- Address Change Office of Admissions and Records, Registration Center.
- Name Change, Marital Status Change, Date of Birth Change — Records Section of the Office of Admissions and Records. Verification may be required.
- 3. Legal Residence Change (whether an Illinois or out-of-state resident) Must be requested by completion of the Application to be Classified an Illinois Resident form in the Office of Admissions and Records. Before the change is made the student must have met the regulations governing residency status as established by the Board of Trustees.
- Change of College or Major Advisement center or dean's office.

Schedule of Classes

This section is arranged in two parts:

1) General Studies Courses

2) Departmental Courses

Within each part, the subject areas in which courses are being offered are listed in alphabetical order by name. (The table of contents at the beginning of this book exhibits the subject areas and their page numbers.)

Within each subject area, the courses are listed in order by course number. For each course, the first line contains the course number, its short title, number of semester hours of credit, and pass/fail information if applicable.

Within each course sections are listed in numerical order. The entry for a typical section includes a call number, section number, beginning time, meeting days and place, and the instructor's last name.

A brief discussion of each type of information listed in this schedule follows.

Title Line

First is the course number. It is a three-digit numeral plus, in some cases, a single letter. It identifies the course and indicates the academic classification of the course as follows.

000-099 Course not properly in the following categories

100-199 For freshmen

200-299 For sophomores

300-399 For juniors and seniors

400-499 For seniors and graduate students

500-600 For graduate students only

Next is the short title. For the full title and the course description, refer to the Undergraduate Catalog or the Graduate Catalog.

At the end of the title line is the number of hours of credit awarded for completion of the course. All references to hours of credit imply semester hours unless otherwise specified. One

Would you sign up for a lifetime course in applied Christianity?

Our course will take you deep into the Third World, to some of the most depressed and oppressed places on earth.

To God's Country.

As a Maryknoll Missioner, you can share the love of God with these, His people. You can bring them hope and peace and dignity.

You will practice some very practical Christianity, too. You might set up adult education classes, show a starving farmer how to improve his crop, or a struggling worker how to improve his lot. Most of all, you will share the Gospel of Jesus Christ.

You will learn and keep on learning the rest of your life. You will learn and share their language, of course. But also their culture, traditions and, yes, their religion. You will learn the quality of joy that can only come from doing unto others, because all the while you give yourself to their lives, they give meaning to yours.

	vkno	ut a lifetime career as II Missic who give their	ners		DC9

semester hour is equivalent to one and one-half quarter hours.

In a variable-hour course, students decide the number of hours for which they are going to register in consultation with their adviser.

Courses offered under the pass/fail option are noted after the hours of credit. See the General Information section of this booklet for further comments on this option.

Prerequisite

The prerequisite entry lists requirements which must be satisfied before a student registers for the course. These prerequisites may be listed in various ways. Usually they are other courses in the same subject area, indicated by a course number. A prerequisite in another area is indicated by that area's code letters and the course number.

Call Number and Section Number

Each section number is preceded by a unique call number, which is a four-digit numeral. Both the call number and the section number must be entered after the appropriate subject-area abbreviation and the course number on the student's Course Request Form or Program Change Form at the time of registration. The section number categorizes course offerings as follows:

 001-099
 Meets 13-16 weeks
 501-599
 Meets less than 2 weeks

 101-199
 Meets 9-12 weeks
 601-699
 Public Service

 201-299
 Meets 7 or 8 weeks
 700
 Independent Study

 301-399
 Meets 4-6 weeks
 800-899
 Off-Campus

 401-499
 Meets 2 or 3 weeks

Time and Davs

The times given indicate the beginning and ending of each class period. If no ending time is specified, then it is 50 minutes after the beginning time. Those registering for courses listed as "To be arranged" may obtain times and days from the instructor indicated or, if no instructor is listed, from the department.

Now that you've got all your classes (We hope!), how are you going to get across campus in time?

(Choose one:)

A

1) Fly.

2) Be late.

3) Take the

Honda Express. See the Shopper's Guide and the ad on the opposite page.

Building and Room Number

The following list of building abbreviations will help in the location of classrooms. Buildings are listed alphabetically according to the code used in the class schedule. Temporary buildings are indicated by number only.

If a building contains more than one classroom, then the number of the room follows the building's code name.

VTI Campus Buildings

Buildings coded F, H, L, M, and N are on the VTI Campus, location of some programs of the School of Technical Careers.

Instructor's Name

Only the last name is listed here. Each of the University's catalogs contains an extensive list of members of the faculty, their degrees, and related information.

To register for section 700, refer to the instructions in the General Information section of this booklet under the heading "Independent Study Courses" and also to the instructors' numbers listed in the appendix at the end of this book.

Registration Work Sheet for Fall

This form is provided for your use in establishing a tentative class schedule before coming to the Registration Center.

- Write in the course and section number in the appropriate day and time column.
- 2. Note: Avoid scheduling two classes at the same time.
- 3. It is suggested that you also make an alternative schedule.
- Tentative class schedules are subject to the rules and policies on registration of the University and the Registration Center.

WHAT'S THE WORST THING THAT COULD HAPPEN??

You pick up the telephone, ask some questions and make an appointment to speak with one of the SIU faculty.

You go to the appointment, find out that not only could you be on scholarship next year, but you could be on the payroll of one of the largest and most prestigious organizations in the world, with an annual starting salary of \$11,900 after graduation.

You also learn that this organization will pay you at least \$1,800 even <u>before</u> you graduate.

Then you go home and think it over.

You came away with some valuable detailed information at no cost or risk to you in any way.

Call us at AIR FORCE ROTC today.

       Student teachers are expected to be on duty in
      Student teachers are expected to be on duty in public schools according to the calendar of the schools in which they are teaching. During the time in which University students are teaching, it may be necessary for them to follow a calendar different from the university semester calendar. When this is necessary, the Coordinator of Professional Education Experiences will inform the students far enough in advance that they may make necessary arrangements.

The whole world loves a Rascal.

And why not? After all, rascals have more fun. Especially Suzuki's new Rascal. the FZ-50.

Outfitted with an automatic 2-speed, the "shiftless" little devil is fun and easy to ride anywhere. Work, school, around town. Heck, it's a ball just to ride around the block.

Nice thing is, the fun lasts on this machine. Because it's built with all the workmanship that has made

Suzuki the most reliable name in two-wheeled transportation. Suffice to say, it's a tough Rascal. Loaded, too. Dependable reed valve

engine. Oil-damped front and rear

RCISCOIL handling handling from Suzuki handling. Strong and stylish mag-type

brakes. Fuel gauge. And, of course, lights. Oh yes, there are a couple of other little things you'll like. Its small price. And its tiny appetite for gas. Remember too, there are over 1400 Suzuki Dealers around the country. Which means parts and service are just around the corner. Now you know why everybody loves a Rascal.

suspension for easy

Handy front and rear

carrier racks. Easy to

operate front and rear

wheels. Wide 3" tires. Comfortable contoured seat.

The new Toyota SR-5 Long Bed. If you find yourself calling it your new car, don't be surprised. This new Toyota truck has an all-new interior that's so comfortable you'll swear you're in a car. New softer-riding torsion bar front suspension, too. The new Toyota SR-5. It's the truck that doesn't ride like a truck.

Car fun. This new Toyota truck may be the most fun car you've ever owned. It's powered by a gutsy 2.2 liter overhead cam engine. Shifted by a sporty 5-speed overdrive transmission. Rides on steel belted radial tires. And has great new styling.

Car comfort. More comfort, thanks to an interior that's more padded and upholstered than before. More sound-deadening insulation too. SR-5 Sport Trucks also include wall-to-wall carpeting, bucket seats, even an AM/FM radio as standard equipment.

Truck Tough. One thing that hasn't changed is the toughness. This new Toyota truck—one of six—is as reliable as ever. With fully transistorized ignition for surer starting. Power assisted front disc brakes for surer stopping. Extensive anti-corrosion protection. And a cargo bed seven feet long. The new Toyota SR-5 Long Bed. It's more than your next truck.

THE NEW SR-5 LONG BED. TOYOTA

Take our Open Book Test and maybe win a pair of Bose 901 speakers.

Sometime this school year, six lucky (and smart) college students will each win a pair of Bose 901 Direct/Reflecting speaker systems worth about \$800 a pair. The winners will be flown, expenses paid, to enjoy a night on the town in Boston. Then, next

day they will tour the Bose factory in Framingham, Massachusetts. They will participate with Bose engineers and marketing people. in a University Audio Seminar And, they will receive their newly won Bose 901 speakers.

The catch? There isn't any. All you have to do is take a short test composed of several easy questions (we send you

which to find the answers), then sit back and hope

To get your test, just fill out and mail the coupon below. And, while you wait for the test to arrive, it's not considered cheating if you go to a Bose dealer and listen to the great-sounding line of Bose Direct/Reflecting speakers.

You might even decide to buy a pair. After all, a little research

the material in before the test couldn't hurt, even The heritage if it is open book. : 11-7-5 The performance The Bose Open Book Test Bose Corporation QDC The Mountain, Framingham, MA 01701 I'm ready. Send me everything I need in order to State

"YOU CAN'T MAKE THE SCENE UNLESS YOU CAN

Bucky Barrett has been a professional guitar player for 17 years, playing road dates and concerts. Two years ago he decided to settle in Nashville to make it as a studio musician.

"It sure is hard for young professionals to get started on the road," says Bucky. "A lot of young people don't have the kind of cash you need. But a young player can't really make the music scene unless he can make the sound. That's why you need a first-class instrument."

Bucky, who owns a Hohner HG-360, thinks that Hohner's Limited Edition guitars meet the young professionals' needs. He purchased his Limited Edition instrument when he discovered it had a slightly "different," unique sound. "I really discovered 'my sound' with that instrument," he says. He uses the Hohner whenever he has the opportunity to add something personal and creative to his

work. "I was also surprised by its low price!"
"I do lots of commercials, jingles and records and TV appearances. A lot of times, they want the standard sound from any guitar. But sometimes, I'm asked to do things a little different - make something stand out. That's when I use my Hohner." He used the instrument on the rhythm track of "The King Is Gone," a record that has already sold several million copies.

"It's a good instrument," says Bucky. "For me, it's my 'signature' sound now. And that's really what you need to make it in this business."

WHEN YOU'RE LOOKING FOR THAT BIG BREAK, H **CAN BE INSTRUM**

Who buys stereo through the mail?

262,170 people like you.

And they all have one thing in common. By calling us or sending in our coupon, they received the free Warehouse Sound catalog featuring virtually every brand name in components. Seventy pages of stereo systems, separate receivers, turntables, tape decks, direct-disc records and more, much more! Auto stereos, multi-channel mixers. microphones, cartridges and all at Warehouse-to-your-door prices. Our new catalog includes comparison information and frank, straight information on what's what in hi-fi this Fall.

Call us at (805) 544-9700 or send in your name for a free catalog. And, if you send us \$2 for handling charges, we'll rush our newest catalog first class, plus the "How to Hi-Fi Guide." plus our 1979 Spring and Summer catalog editions. Write or call today! Jarehouse Sound Co. Railroad Square, Box S, San Luis Obispo, CA 93405 Romusu square, pox 3, san Luis Cois.

Appendix: Instructors For Independent Study Courses

The following is a reference list for use in registering into classes which are entered in the schedule with a section number of "700." Refer to the paragraph entitled "Independent Study Courses" in the first part of this book for an explanation of the registration procedure. In nearly every instance, written permission of the instructor and/or the department chairman is required prior to registration. Students desiring to work in a department or program under a faculty member not listed below in that department or program, may obtain the instructor number from the department.

Easy come. Easy go. Easy to start. And very smart!

In case you haven't caught on yet, Honda's making it hard for you not to love the amazing little Honda Express.™

Its genius is its simplicity. No pedals to push. No gears to shift. And it starts with a quick turn of the key, tap of the foot and squeeze of the lever.

Zip to school, stop and shop, scoot to work, run on down to where you do your running — the Honda Express delivers you in style.

At only pennies a mile.

As you can see, the Honda Express expresses itself with two distinct personalities for 1979. The snappy, popular standard Express. The rakishly styled ExpressTMII with its new comfort-contoured saddle.

Any way you go, with up to 100 miles to the gallon and no major service for a year or a thousand miles, is there a cheaper motorized way of going? Or a smarter way?

If it all sounds too good to be true, remember this: Honda's always made the incredible look easy.

And now for the kicker. There's another nice feature on the Honda Express—its price. Just see your nearby Honda motorcycle dealer and discover how easy it is to buy.

C'mon America, get on the

Honda Express.

Always wear a helmet and eye protection when riding. Check local laws. Operator's license required. Baskets available as an option. Not available in Wa. Designed for operator use only. For free brochure, write: American Honda Motor Co., Inc., Dept. EW39E, Box 50, Gardena, CA 90247. See Yellow Pages for nearest Honda dealer. Honda Motor Co., Ltd. is an NYSE-listed company. © 1979 AHM.

It's so easy!

Add a lot of music to your life. In just a little bit of space.

The Sansui GX-5 rack is the perfect way for you to enjoy the exciting world of high fidelity without crowding your living space. It's designed to hold a complete music system and still have room for your favorite records and tapes.

Sansui's GX-5 is functional and beautifully crafted too. Height adjustable clamps let you arrange your components most conveniently. You can move your sound system easily from place to place because the GX-5 stands on casters. And the 19" width lets you mount any standard rack mountable components.

Create your own special system by choosing from Sansui's full line of elegant black face units, AU amplifiers, SC cassette decks, SR turntables and TU tuners. Sansui also offers two complete-lines of high quality loudspeakers and an exciting new mixer-with-reverb for complete creative recording control.

Be sure to visit your Sansui dealer today. Select the rack system that meets both your budget and listening needs; and add a lot of pleasure to your life.

SANSUI ELECTRONICS CORP.

Lyndhurst, New Jersey 07071 • Gardena, Ca. 90247

Bose presents the most exciting bookshelf speaker since the Model 301.

The new Model 301. With an improved tweeter that took three years to perfect. An innovative Dual Frequency Crossover™ network that delivers smoother midrange response. A unique tweeter protection circuit that virtually eliminates tweeter burnout. And a subtle exterior modification that makes the Model 301 more elegant than ever.

But even with changes, the Model 301 retains its conventional personality.

It is, after all, a Bose Direct/Reflecting loudspeaker system. Which means it utilizes a carefully produced balance of reflected and direct sound to give you the spatial realism of a live performance. From nearly every location in your listening room, you hear accurate stereo balance. Accurate location of each instrument, each note. Clearly, precisely. And with a fullness and richness you may have thought impossible from such a compact enclosure.

As a matter of fact, the Model 301 delivers a level of performance which simply astounds first-time listeners.

It could happen to you. Ask your Bose dealer to demonstrate the Model 301 against any bookshelf speaker, regardless of price.

Then ask him to demonstrate the Model 301 against even much larger speakers. In each case, you will hear an open, spacious sound that expands the confines of your listening room. Suddenly, you are in a larger, more open space, listening to music as if you were hearing it for the first time.

No other bookshelf speaker even approaches the spatial realism of the new Model 301. See your Bose dealer for a demonstration and hear what we mean

BUSE

Introducing the home stereo receivers for your car.

Individual Bass & Treble Controls.

Power Amplifier. Separate power amp installs in trunk. Provides up to 60 watts of Total System Power. Bi-Amplification.

Divides and sends correct frequencies and power levels to respective drivers through four separate amps (two for highs and two for Loudness.

Recaptures all the bass that can disappear at low volume levels.

Muting.
Eliminates inter-station noise when changing

stations.

Dolby® Noise Reduction.
Processes out tape hiss on
Dolby-encoded tapes;
improves dynamic range of
Dolby-encoded FM broad-

The Jensen Car Stereo Receivers.

At long last...Jensen introduces the Stereo Receiver for your car. Indash.

A series of six stereo receivers: Three with cassette. Three with eight-track. All featuring incredible wide range tape reproduction and monitor quality FM broadcasts with superior sensitivity and pinpoint selectivity.

At the very heart of Jensen's Car Stereo Receivers

can be found four independent, direct coupled amplifier sections—two for each channel. Several models even boast the electronic sophistication of biamplification which minimizes distortion and increases peak power levels.

Feather-touch electronic switching puts the receiver through its paces: Dolby Noise Reduction System, Loudness Compensation, Switchable Interstation Muting, Tuner On/Off and Local/Distant reception.

These are some of the features that have created a distinct new category: Car

Stereo Receivers. The same features and quality that have earned these receivers the Jensen name.

For a free full color brochure on the family of six Jensen Car Stereo Receivers, write:
